WELCOME

Jo Sharpe - Chairman 2021

Welcome Pridettes,

The return of SWP signals the emergence from a long and difficult journey for all of us over the last 18 months, the pandemic has been a struggle for everyone and today it is important that we take the time to reflect and think about the people that are no longer with us.

We have been working hard behind the scenes to ensure that everybody that attends the event, can feel reassured that we have put in place the necessary measures to keep everyone safe as possible.

I would personally like to say thank you to my Pride Family, who have adapted and maintained SWP during the Lockdown and have strengthened our connection with LGBT+ community and beyond.

We have had to make changes to ensure the event can go ahead, nevertheless we are delighted to introduce the new Family Circus Zone, and this year we have worked hard to make the event even more accessible for all. Also, if you find yourself struggling today, please visit the Wellbeing Tent and chat to the lovely volunteers from The Samaritans.

Thank you to the community, sponsors and supporters that have all stood by us, your support is appreciated more than you realise.

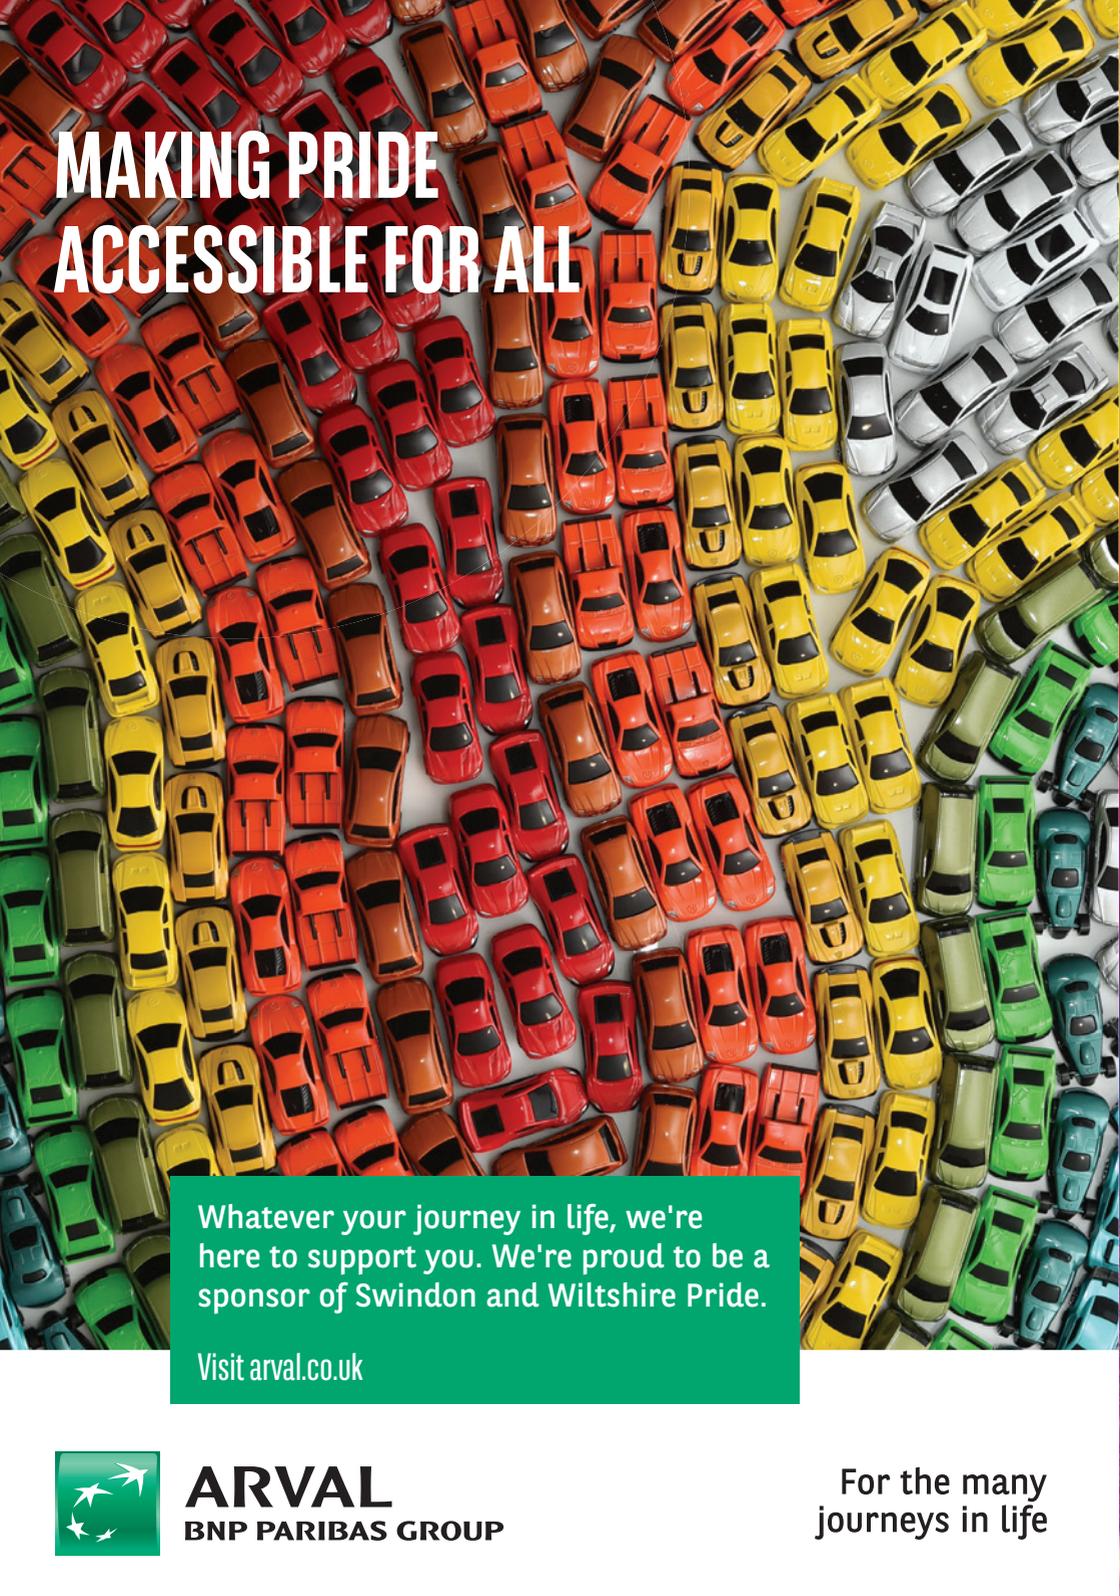

Signing out,

Jo Sharpe (Chair)

For the many
journeys in life

Swindon Borough Council

It is my pleasure as Leader of the Council to contribute to this programme and to offer my support for the annual Swindon and Wiltshire Pride.

I am immensely proud that I lead an organisation that has a diverse workforce with colleagues who respect and supports everyone's right to be who they are and to love who they love. Our Town is an inclusive, happy, and vibrant place to live and work and we need events like this where people can come together to celebrate diversity and gender variance and to demonstrate tolerance and inclusivity. Pride events are as important today as they ever were, as many LGBT people around the world still do not have basic civil rights protection and we must stand with them in a show of support and solidarity.

Whilst I hope everyone who attends will have a thoroughly enjoyable time, we must not forget though that Pride represents more than just one day. I wish everyone taking part in Pride, your family, friends, and neighbours a safe, proud and happy year ahead.

Councillor David Renard
